Tank sides extended below base (i.e. inside welds)	\$50.00	each
Add for through tank mounting holes. price per hole	\$25.00	each
<b>Mounting – Prices have run as low as \$100 and as high as \$500 based on complexity of design and fabrication.</b>		
Mounting system to use hard points on bike. Construction of heavy duty (stainless steel or thick aluminum) mounting brackets	quote	each
<b>Powder Coating (Your choice of color)</b>		
2 coat metallic powder coating finish	quote	each
1 coat powder coating finish	\$100.00	each
<b>Optional Equipment</b>		
<b>Deck Assembly (Must be ordered with tank.)</b>		
15" x 20" Deck Assembly: .125" thick 5052 Aluminum with antenna holes, tie down slots.	\$125.00	each
Deck Mounting Rails: T-Slot rail to allow for fore and aft adjustment.	\$100.00	set
<b>Tie Down Points/Rails</b>		
2" L-Track Segment: Suitable for single or double fittings, welded to tank	\$7.00	each
Single Stud Fitting w/ Stainless Steel Round Ring (ring tie down point)	\$5.00	each
Double Stud Fitting with Bolt Threads (for quick release side rails)	\$6.00	each
Single Stud Fitting (for side rails)	\$4.00	each
Farkle Mount Rails (removable): 12" x 1" x 3/16" aluminum side mounted bar. (Requires 2 Stud Fittings)	\$15.00	side
<b>External Gas Saver Expansion Tank</b>		
Self Siphoning Expansion Tank: 6061 extruded aluminum with 3/4" hose barb fittings, 3M Dual Lock attachment, security strap, and 1/4" hose barb fittings	\$50.00	each
1/8" hose barb fittings and hose, 3M Dual Lock attachment, security strap, mounted.	\$25.00	each
<b>Luggage</b>		
Pelican/Storm iM2500 Wheeled Case: Watertight, Padlockable Case, with Pressure Release Valve	\$175.00	each
iM2500 Quick Release Mounting System & Hardware (Requires Deck Assembly)	\$100.00	kit
iM2500 Quick Release Mounting System Installation: Case modifications, latch installation, & mounting on the deck.	\$25.00	each
<b>Plumbing Items</b>		
<b>Shut Off Valves</b>		
Mini Brass Ball Valve 1/4", MxF NPT	\$13.00	each
<b>Quick Connect</b>		
Quick Coupler Set (1 plug, 1 socket) Double Shut-Off 1/4" FNPT, Brass	\$20.00	each
Quick Coupler Socket. Double Shut-Off 1/4" FNPT, Brass	\$10.00	each
Quick Coupler Plug. Double Shut-Off 1/4" FNPT, Brass	\$15.00	each
<b>NPT Fittings</b>		
Bulkhead Fitting. 3/4" OD x 1/4" NPT bulkhead fitting machined for BUNA-N O-ring (included)	\$15.00	each
1/4" NPT street elbow (90) tank to shut off	\$6.00	each
3/8" NPT street elbow (45) tank to shut off	\$5.00	each
<b>Hose, Barbs, and Fittings</b>		
Barb x 1/4" MNPT Straight	\$4.00	each
Barb x 1/4" MNPT elbow	\$4.00	each
Barb x 1/8" MNPT elbow	\$4.00	each
fuel line	\$2.00	feet
<b>Hose Clamps</b>		
stainless steel hose clamps	\$1.50	each
<b>Installation/Shipping</b>		
<b>Turnkey Installation. Estimated charge based on labor rate. Actual charges will be applied.</b>		
Includes bulkhead fitting installation in the main fuel tank and precision fitment of the cell.	\$30.00	hr
<b>Shipping and Handling FedEx Ground Estimated to Zone 7: generally 1,401–1,800 miles. Actual charges will be applied.</b>		
Packing and Handling	\$25.00	job
Estimated shipping from 91915	\$65.00	job
iM2500 Shipping	\$25.00	job
